ORDER SUSPENDING TARIFF NO. 98-00307 FOR NINETY (90) DAYS

This matter came before the Tennessee Regulatory Authority (hereafter the "Authority") at a regularly scheduled Authority Conference held on May 19, 1998, for consideration of Tariff No. 98-00307 (the "Tariff") filed by BellSouth Telecommunications, Inc. ("BellSouth") on April 29, 1998 with an effective date of May 29, 1998. The Tariff was revised through a subsequent filing by BellSouth on May 11, 1998. This Tariff introduces a call plan service which provides to residential customers message-based pricing for 1+ direct dialed (DDD) intrastate intraLATA toll calls, whereby residential customers would be charged \$0.25 for each eligible call and a monthly recurring charge of \$4.95 per line.

At the May 19th Conference, upon a review of the Tariff, the Directors voted unanimously to suspend the Tariff for ninety (90) days from May 28, 1998 through August 26, 1998.

IT IS THEREFORE ORDERED THAT:

BellSouth Tariff No. 98-00307 is suspended for ninety (90) days from May 28, 1998 through August 26, 1998.
